

The Tampa Boat Show staging yard is to be used for exhibitors needing to stage boats prior to their scheduled move-in time and for storage of empty trailers throughout the duration of the show. Please see the map for location of the staging yard. Note that there is no longer a red building there and the area that is being used will be mowed.

The yard is located on 1711 South 20th Street, Tampa, FL 33605 and will be available starting on Tuesday, September 4 at 7 AM and ending on Tuesday, September 11 at Noon. Please note that security will only be on this lot while there is staging of actual boats from Tuesday, September 4 – Thursday, September 6 and Sunday, September 9 – Tuesday, September 11. Any trailers left on the lot during show days should be locked up by the exhibitor and will not be secure.
