

Structural Integrity Form

Exhibitor Guide

_____, the buyer (exhibitor), confirms and guarantees that the supplied hanging sign or equipment is structurally sound and properly engineered using hardware that is correctly rated for the loads necessary to hang the sign. If at any time Encore detects that some portion or all of the sign or equipment is not structurally sound, Encore reserves the right to refuse hanging service at the buyer's expense.

The buyer hereby releases, indemnifies and forever holds harmless Encore, the Tampa Convention Center and its subsidiaries, their directors, officers, employees, representatives, agents and contractors from claims of damage, liability, loss, fines or penalties arising from the installation, use or dismantling of the hanging sign, equipment or its structure.
